

## Resume (Draft: Work-in-progress)

### Brand Statement

Front-end web developer with background in general business seeking to gain experience in field. Recently earned certificate of completion in full stack web development from the Rutgers's Coding Bootcamp, with newly developed skills in JavaScript, CSS, React.js, and responsive web design. Known for good communication and determination, with an intense focus on developing impactful, user-friendly applications and software. I take great pride in my work, and I enjoyed working with my team in developing the \_\_<name>\_\_ software to \_\_<reason>\_\_. I am excited to leverage my skills as part of intense, quality driven team to build applications that push toward a brighter tomorrow.

### Technical Skills
